Mark 11:1-26 – The Triumphant King  
Steve Lambert

1. Do you ever feel like Jesus is not the King you expected?  
How so?
2. In what ways/areas are you reluctant to put Jesus on the throne of your life?
3. What would look different if you did?
4. Take a look at Romans 1:18-31. There are a lot of sins listed in these verses. Three times, Paul says that “God gave them up” to their sins (v 24, 26, 28). Why did God do this? What is the root of our sins?
5. How do you think God could use you to reach the lost around you if you completely submitted to His kingship over your life?
6. Spend some time praying for God to move this mountain in your life so you can be fruitful for Him.
