

Why Bother With The Church?

1 Timothy 3:14-16

Dr. David Barker

How can you take steps towards helping make Forward more of a family?
How can you interact more with different age groups?
How can you show love and support for others?

How can you take steps towards helping make Forward a missional community?
How can you be involved in our outreach initiatives? (PA Day Camps, Food Bank, Above the Beach, Beach Hill Community involvement, Small Group outreach projects, etc.)

What can you do as an individual to be bolder in sharing the gospel?

How can you take steps towards helping Forward support and uphold the Truth?
Is your worldview shaped by God's word? In what areas do you struggle with this?
Does the gospel shape the way you live and interact with others? How?

How can you take steps towards helping Forward be all about Jesus?
How often do you think about Jesus and what He has done for you?
How can you train your thoughts on to Him more often?
When you are at church, what do you talk about with others?
How often does your conversation revolve around Christ and the gospel?
How can you bring the conversation to Him more often?
