1 Timothy 5:17-25– The Gospel and Leadership, Pt 3
Steve Lambert

1. In what way are our current elders/leadership fulfilling their role to "keep watch over the flock"? (Acts 20:28, Hebrews 13:17)
In what ways will you show our leadership honour? (1 Timothy 5:17)
Are there any ways you have been dishonouring the leaders of the church?
2. What is the proper way to confront sin in the church? (Matthew 18:15-20, Matthew 5:23-24)
How do we sometimes deal with sin and conflict in wrong ways?
Will you make a commitment to not complain or gossip, to not listen to complaints or gossip, and to not spread complaints or gossip?
3. How would you choose a pastor/elder/overseer for our church?
Do your standards come from the Bible (1 Timothy 3:1-7, 4:6-16, 5:22-25) or from your own desires and cultural expectations?
